

St John the Baptist Catholic Multi Academy Trust

PRIVACY NOTICE FOR JOB APPLICANTS

– USE OF YOUR PERSONAL DATA

Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals applying for jobs at our Multi Academy Trust.

We, St John the Baptist Catholic Multi Academy Trust (Company Number 7913261) and the schools within Multi Academy Trust, are the 'data controller' for the purposes of data protection law.

Our data protection officer is John Eady (see 'Contact us' below).

Successful candidates should refer to our privacy notice for the Multi Academy Trust workforce for information about how their personal data is collected, stored and used.

The personal data we hold

We process data relating to those applying to work at our Multi Academy Trust. Personal data that we may collect, use, store and share (when appropriate) about you includes, but is not restricted to:

- Name and Contact details
- Copies of right to work documentation
- References
- Evidence of qualifications
- Employment records, including work history, job titles, training records and professional memberships

We may also collect, store and use information about you that falls into "special categories" of more sensitive personal data. This includes information about (where applicable):

- Religious beliefs – we are a Catholic Multi Academy Trust, and certain positions (e.g. Head of School, deputy Headteacher, Head of RE) require that staff are Catholic
- Race, ethnicity, gender, sexual orientation and political opinions

- Disability and access requirements

Why we use this data

The purpose of processing this data is to aid the recruitment process by:

- Enabling us to establish relevant experience and qualifications
- Facilitating safe recruitment, as part of our safeguarding obligations towards pupils
- Enabling equalities monitoring
- Ensuring that appropriate access arrangements can be provided for candidates that require them

Our lawful basis for using this data

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

- Comply with a legal obligation
- Carry out a task in the public interest

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We need to protect your vital interests (or someone else's interests)

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the Multi Academy Trust's use of your data.

Collecting this information

While the majority of information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

How we store this data

When personal data we collect as part of the job application process is no longer required, we will delete your information in accordance with the [Information and Records Management Society's toolkit for schools](#) (see page 42).

Data sharing

We do not share information about you with any third party without your consent unless the law and our policies allow us to do so.

Where it is legally required, or necessary (and it complies with data protection law), we may share personal information about you with:

- Our local authority – to meet our legal obligations to share certain information with it, such as shortlists of candidates for a Headteacher position
- The Roman Catholic Diocese of East Anglia
- Other schools within St John the Baptist Catholic Multi Academy Trust – to inform them of potential applicants for their vacancies, so that preliminary contact might be made
- Suppliers and service providers – to enable them to provide the service we have contracted them for, such as HR and recruitment support
- Professional advisers and consultants
- Employment and recruitment agencies

Transferring data internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.

Your rights

How to access personal information we hold about you

Individuals have a right to make a ‘subject access request’ to gain access to personal information that the Multi Academy Trust holds about them.

If you make a subject access request, and if we do hold information about you, we will:

- Give you a description of it
- Tell you why we are holding and processing it, and how long we will keep it for
- Explain where we got it from, if not from you
- Tell you who it has been, or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- Give you a copy of the information in an intelligible form

You may also have the right for your personal information to be transmitted electronically to another organisation in certain circumstances.

If you would like to make a request, please contact our data protection officer.

Your other rights regarding your data

Under data protection law, individuals have certain rights regarding how their personal data is used and kept safe. You have the right to:

- Object to the use of your personal data if it would cause, or is causing, damage or distress
- Prevent your data being used to send direct marketing
- Object to the use of your personal data for decisions being taken by automated means (by a computer or machine, rather than by a person)
- In certain circumstances, have inaccurate personal data corrected, deleted or destroyed, or restrict processing
- Claim compensation for damages caused by a breach of the data protection regulations

To exercise any of these rights, please contact our data protection officer.
